With over 10 years of classroom teaching experience in public and private education, I offer virtual tutoring in English-Language Arts (Literature, Writing, Grammar), History, Geography, and Spanish for students of all ages. As a professional tutor, I can provide guidance for college writing admissions, academic advice, and graduation requirements.

I specialize in helping students prepare for high school testing, including the Florida Assessment of Student Thinking (F.A.S.T. English Language Arts exam/Graduation requirement). I have taught Cambridge International AS/A Level courses, including English Language, and offer guided writing and reviews for the exam (AICE Diploma requirement).

I assist with test preparation for the GED, GRE, LSAT, PSAT, and SAT exams, along with college research and writing support for undergraduate and graduate students.

As a former writer and editor, I excel in teaching academic writing and helping students find their unique voice, focusing on building strong verbal, reading, and written communication skills.
